SOPHISTICATION

Travertine has become one of the most popular choices for pool decks. It provides a rich and sophisticated look to your pool or décor.

Gold 16x16 Pavers

QUALITY

Classic provides the highest quality travertine in the industry. No need to order 15-20% more due to waste and breakage. We also offer the largest selection of sizes and colors. And most important, we have the product in stock and can ship the day of your order.

Silver French Pattern and GLV-13

DURABILITY

Travertine is extremely durable, needs minimal maintenance, stays very cool under foot in hotter climates, and has excellent slip resistance when wet.

Suitable for any outdoor flooring application. It's density, resistance to the elements, superior load and breaking strength, and ease of installation make it the perfect solution when a high-performance material is required. Very easy to install. Can be installed on grass, gravel, or with a raised support system. Of course, it can be installed with the traditional adhesives if the substrate requires it."
